Steve Bohlen of DOGGR indicated to me and Mike in a call late yesterday that they consider the plan public, but we didn't get into how they would be providing it. I'm not sure what your last sentence is asking.

Jane Diamond

Water Director, EPA Region 9

Jane – did you get confirmation from DOGGR that they will release the Plan to media? I talked to Suzanne and she said that OPA is waiting to hear back from Dept of Conservation to confirm approach. However, it appears that Kelly did get an indication from DoC that it will release the plan to reporters by request only. So it appears that at this time, EPA will refer all media requests for the Plan to DoC. However, if we hear back from media outlets that they are not getting the Plan, OPA will release it.

Also, OPA really wants us to put a webpage together that they can direct people to for at least the July and Dec letters. I have a call with Bonnie today to give her a heads-up. What is our plan to the web page?

Jane –
